

VILLA SEVANA

RHODES

DESCRIPTION & FEATURES

Also known as the “Knights’ island”, Rhodes has a rich historical past, which you can tell by its historical buildings and monuments. The atmosphere in Rhodes Old Town is simply unique! Strong walls, stone-paved alleys, elegant mansions, and a medieval castle create the illusion that you have time-traveled back to the age of the knights. Said to be one of the most surprisingly picturesque villages on the island, Lachania is situated inland, south of the island. Its picture postcard setting, remoteness and tranquility, give Lachania a special charm all of its own. The village is easily accessible by car, located 73 km from the city of Rhodes and 76 km from Diagoras International Airport. Villa Sevana is situated just outside the village, only 10 meters from a sandy-pebbled beach offering absolute privacy and great views of the Aegean sea. The natural blues of sky and sea combine to provide a canvas of natural wonder for your holiday. The most important monument of the island is Rhodes Old Town. Rhodes Old Town is a Unesco World Heritage Site and one of the best-preserved medieval towns in Europe, attracting millions of visitors every year! Stroll around the paved alleys, visit the Venetian Castle, the Street of the Knights and the Palace of the Grand Master. Luxury Villa is the ideal destination for those seeking to combine luxury, comfort and privacy, secluded by unspoilt nature, all in one ultimate experience. Imagine the sea breeze and the golden sun slinking away from your window or the sense of freedom of stepping barefoot out of your room right on the beach...
